Design Ideas Into Shaping Metals..

ABOUT US

We, **Dinesh Industries**, are pleased to introduce ourselves as a leading manufacturer of press parts, machined components, tube parts, and laser-cut parts for both static and dynamic applications, catering to various OEMs.

We take pride in offering a high-quality product range, strict adherence to quality standards, and prompt customer service. This commitment has enabled us to build a satisfied client base across India as well as overseas.

Our catalogue provides comprehensive details of our product offerings. However, should you require any additional information or clarification, please do not hesitate to contact us at the address mentioned below. We would like to assure you that associating with us can help you achieve superior quality products at cost-effective prices. We trust that the above information meets your requirements and assure you of our best services at all times.

We look forward to receiving your valued enquiry.

Yours sincerely,

For Dinesh Industries

Dinesh Agarwal

Managing Director

IATF 16949

VISION

- ❖ At Dinesh Industries, we aim to lead in metal forming technology by delivering high-quality, reliable products and exceptional customer service at competitive costs.
- ❖ Our success is measured by the success of our customers, suppliers, and employees.

QUALITY POLICIES

- ❖ We deliver quality products and services that consistently surpass customer standards.
- ❖ We achieve this through excellence in our business management processes and continuous fulfillment of our quality objectives.

OUR PRODUCT VERTICALS

- 1) **Sheet Metal Press Parts**
- 2) **Laser Cutting**
- 3) **CNC Machining components**
- 4) **CNC Bending**
- 5) **Welding Line & Assembly**
- 6) **Traub machining components**
- 7) **Tool Room- Tool Design & Tooling Facility**

LIST OF MACHINES

SR NO.	MACHINE DESCRIPTION	QUANTITY	UNIT'S
1	PRESS MACHINES (Capacity:10T UPTO 400T)	20	Nos
2	TRAUB A60	4	Nos
3	TRAUB A42	3	Nos
4	TRAUB A32	4	Nos
5	TRAUB A25	4	Nos
6	ACE MICROMATIC JOBBER XL - CNC	2	Nos
7	ACE MICROMATIC JOBBER Jr - CNC	2	Nos
8	ACE MICROMATIC SUPER JOBBER ELITE - CNC	2	Nos
9	ACE MICROMATIC LM300 - CNC	2	Nos
10	JYOTI DX200 - CNC	2	Nos
11	BATLIBOY CNC 165mm	2	Nos
12	MORI SEIKI CNC 160mm	2	Nos
13	TAKANG - CNC - 100mm	1	Nos
14	VMC BFW AGNI BMV45	1	Nos

LIST OF MACHINES

SR NO.	MACHINE DESCRIPTION	QUANTITY	UNIT'S
15	VMC ACE MICROMATIC - 540-V PAPC	2	Nos
16	DRILL (Machine up to 38 mm)	5	Nos
17	MILLING MACHINE	2	Nos
18	LATHE MACHINE	2	Nos
19	SURFACE GRINDING	2	Nos
20	AIR COMPRESSOR	6	Nos
21	BELT & BENCH GRINDER	5	Nos
22	SPOT WELDING MACHINE	2	Nos
23	JACKON SHEARING CUTTERS (up to 6mm)	2	Nos
24	DG SET GREAVES - COTTON (125 KVA)	1	Nos
25	DG SET KIRLOSKAR (125 KVA)	1	Nos
26	HSG LASER MACHINE - 3KW Bed size 1500x3000	1	Nos
27	AGILE LASER MACHINE - 6KW Bed size 1500x3000	3	Nos
